

LED Lighting – Case Study

Springhill Marriott

Temecula, CA

Description of Work:

Energy Retrofit Co. helped Springhill Marriott save by upgrading **over 1,500 lamps** in recessed cans, wall sconces, and desk lamps from incandescent and halogen to Energy Star rated 2nd Generation LED Lamps.

Springhill Marriott received 100% rebate from Southern California Edison for this project, and did not pay anything out of pocket for the new LED lamps.
