

FLU Lighting – Case Study

99 Cent Only Stores

5840 Slausen Avenue, City of Commerce CA

Description of Work:

Energy Retrofit Co. helped 99 Cent Only Stores to upgrade over 300 outdated 400W Metal Halide fixtures with the new T5 Fluorescent High Bay fixtures with occupancy sensor technology. The project will reduce annual energy cost by approximately \$55,756 per year, and dramatically improved the lighting.
