

LED Lighting – Case Study

SurfRide

Solana Beach , CA

Description of Work:

Energy Retrofit Co. helped SurfRide upgrade both Solana Beach and Oceanside stores from **75Watt Halogen lamps to the new 20W LED PAR38 Lamps** saving over 75% in energy cost. The new LED's will last an **estimated 12 years** based on the current 70 hour per week operation.

The staff was impressed with the quality of light that was produced by the new LED lamps.
