

LED Lighting – Case Study

DoubleTree by Hilton

Sacramento , CA

Description of Work:

Energy Retrofit Co. upgraded the Doubletree by Hilton in Sacramento, CA to LED. All areas of the hotel were completed, including over **4,700 Fixtures with the new Lamps (A-Lamps, PAR38, 6" Cans, Candles, BR30, MR-16)** saving over 75% for a total of **\$93,411 per year.**

The new LED's will last an average of 10 times longer than their existing halogen and incandescent lamps.
