

LED Lighting – Case Study

Hilton- Arden West

Sacramento, CA

Description of Work:

Energy Retrofit Co. helped Hilton Sacramento save by upgrading **over 1,900 LED lamps** in recessed cans, chandeliers, track lights, wall sconces, and desk lamps from incandescent and halogen to Energy Star rated LED Lamps.

Hilton received a rebate from SMUD for this project that covered 90% of the cost to upgrade resulting in a 2 Month payback.
