

LED Lighting – Case Study

Colusa Casino

Colusa, CA

Description of Work:

Energy Retrofit Co. helped Colusa Casino save by upgrading Halogen, CFL, and Incandescent lamps to LED. *The new LED (MR-16, BR30, PAR20, PAR30, A-19) were installed in the casino floor, restaurants, bingo room, and hotel areas.*

Colusa Casino reduced their energy usage by 80% resulting in over **\$61,548 per year** in savings, and a **1.2 year payback**.
