utility
incentive

Description of Work:

Energy Retrofit Co. helped Del Mar Pines Elementary School replace old T8 Fluorescent wrap fixtures and incandescent recessed can lights with new LED.

The total lighting energy cost was reduced by 35%, and light levels have been improved with better color light from the new LED fixtures.

Notable school lighting projects include:

- Del Norte High School
- Westview High School
- Painted Rock Elementary
- Rolling Hills Elementary
- Newark Unified
- Lainey Community College
- Foothills Faith Academy
- Trinity School & Church

Del Mar Pines School

Before – 60W (2 x F32T8) Wrap

After – 40W LED Wrap
