Description of Work:

Energy Retrofit Co. helped Toyota Collision Center & Toyota Service Center retrofit the warehouse lighting with new LED High Bay fixtures. The energy cost for each fixture was reduced by 80%, and light levels have been improved with better color light (5000K) from the new LED.

Toyota will save more by the elimination of lighting maintenance with a product that is specified to last over 20 years at 12/7.

Notable exterior lighting projects include:

- Mercedes of San Diego
- Crevier BMW
- San Diego BMW
- Toyota of San Diego
- Lexus of San Diego
- Lexus Newport Beach
- Toyota Carlsbad Collision
- Audi of Santa Ana
- Mini of Santa Ana
