

LED Lighting – Case Study Auto Dealership Lighting

LED Vapor Tight

This LED upgrade project resulted in

62%
energy
savings

24
month
payback

25%
utility
incentive

Description of Work:

Energy Retrofit Co. helped Toyota Collision Center retrofit the parking garage with new LED Vapor Tight fixtures. The energy cost for each fixture was reduced by 45%, and light levels have been improved with better color light (5000K) from the new LED.

Toyota will save more by the elimination of lighting maintenance with a product that is specified to last over 10 years at 24/7.

Notable exterior lighting projects include:

- Mercedes of San Diego
- Crevier BMW
- San Diego BMW
- Toyota of San Diego
- Lexus of San Diego
- Lexus Newport Beach
- Toyota Carlsbad Collision
- Audi of Santa Ana
- Mini of Santa Ana
- Harden Buick/GMC
- Pedder Nissan
