

LED Lighting – Case Study Parking Garage Lighting

LED RADIAL STRIP

This LED upgrade project resulted in

45%
energy
savings

3
month
payback

90%
utility
incentive

Description of Work:

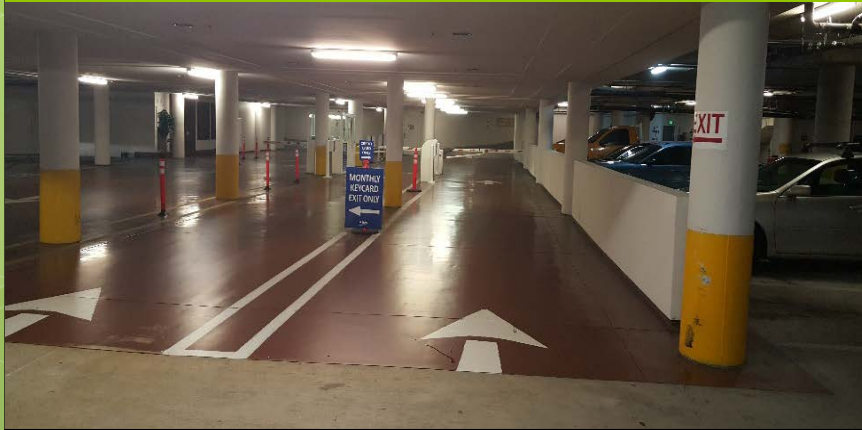

Energy Retrofit Co. helped BOSA retrofit a busy parking garage in downtown San Diego, CA. The energy cost for each fixture was reduced by 45%, and light levels have been improved by 60% with better color light from the new LED strip fixtures.

BOSA will save \$7000/yr in energy and even more by eliminating lighting maintenance for the next 10 years.

Notable exterior lighting projects include:

- Penske Auto Group
- City of Temecula
- Anaheim Convention Center
- Harden Ranch Plaza
- CBRE Industrial Group
- Lexus of Escondido
- Poway Unified Schools
- Cranbrook Group
- Doubletree Hotels
- Colusa Casino
- Thunder Valley Casino
- Paperworks Industries

BOSA Development Commercial Parking Garage
