

LED Lighting – Case Study

3000 Plaza

Temecula, CA

Description of Work:

Energy Retrofit Co. helped Merit Property Management and the 3000 Plaza HOA upgrade **50Watt Halogen lamps with the new 6W LED MR-16** Lamps saving 88% in energy cost. The new LED's will last an estimated 10 years based on their operation

3000 Plaza received 100% rebate from Southern California Edison for this project, and did not pay anything out of pocket for the new LED lamps.
