LED Lighting – Case Study

Description of Work:

Energy Retrofit Co. helped Fitness Evolution, Blackstone upgrade their old T8 2 lamps 32W with **LED RTST Troffer Retrofit** and HID High Bay 1000W with new **LED High Bay 220W fixtures**.

The lighting quality was improved and the new LED lamps provide a zero-maintenance solution for the staff and in addition Fitness Evolution, Blackstone will save about **\$36,837** annually.
